SKILLS

Skills: HTML, CSS, Javascript, ReactJS, Redux, Git, Azure DevOps
Tools and IDE: Visual Studio Code, Visual Studio 2019, Azure DevOps, Github, Jira, ITrack

WORK EXPERIENCE

Front-End Developer - Accenture Oct 2020 - present

- Design, Develop and test RWD pages/UI-Component using ReactJs, HTML5, CSS Frameworks(SASS) and JavaScript(ES6) that meets accessibility and web browser standards for website.
- Worked closely with UI/UX team to get technically feasible and accessible UI designs.
- Integrated RESTful web services calls for POST, PUT, DELETE and GET methods to display data on UI.
- Implemented Redux store for global state management of the application.
- Created end-to-end implementation of a major module of ATCAT using ReactJs, .NET Core, and SQL server.
- Implemented React Reports which included the creation of pages having tabular data, descriptive data, and charts as part of the migration from SSRS to React Reports.
- Integrated Sanity/AEM CMS API with UI.
- Fixed vulnerabilities in the application found during security scans.

PROJECTS

Aristos Mojave Smokey (ATT) June 2022 - Present

ATT Inc. is an American multinational telecommunications company which deals with telecom services. The team works on small-business and consumer support pages of ATT.

ATCAT (Accenture) Dec 2020 - May 2022

Accenture Transaction Compliance and Analytics Tool (ATCAT) is a proprietary Accenture Software that proactively identifies and prevents overpayments in real time within the procure-to-pay (P2P) process. The team works on design, development and maintenance of this tool.

Portfolio Website (Personal)

Personal portfolio website build using ReactJS and Tailwind CSS where I have described about myself and my work.

Amazon Clone (Personal)

Clone of popular shopping website Amazon built using ReactJS and Material UI with Firebase authentication.

EDUCATION

2016 - 2020 Bachelor of Engineering at **NMAM Institute of Technology** (CGPA: 8.98/10.00)

ACHIEVEMENTS

- **Sparkling Star Award (FY21)** for taking responsibility of migrating application from legacy to latest version of ReactJS.
- **ACE Skill Star award (FY22)** for taking responsibility of end to end implementation of a complete module of the application.
